👤 PROFILE

A passionate and detail-oriented Mechanical Engineering student currently pursuing a B.E. at Coimbatore Institute of Technology, with a strong foundation in design, manufacturing, and product development. Skilled in AutoCAD, SolidWorks, and mechanical design principles, with hands-on experience through academic projects and workshops. Enthusiastic about applying innovative solutions in machine design and production engineering. Known for teamwork, analytical thinking, and a commitment to continuous learning. Seeking an opportunity to contribute as a Junior Design Engineer or Mechanical Intern, where I can apply my technical skills and creativity to real-world challenges.

🎓 EDUCATION

12th Tagore Public school	06/2022 – 03/2023 Salem
B.E - Mechanical Engineering Coimbatore Institute Of Technology	08/2023 – Present Coimbatore

🌐 LANGUAGES

Tamil ● ● ● ● ● English ● ● ● ● ●

📜 CERTIFICATES

- Internship at SAIL- Salem
- Autocad level 1&2
- Juniors Design Engineer(Solidworks) ongoing

📁 PROJECTS

Smart Non-Invasive Load Monitoring System for Cranes

Designed a non-invasive IoT-based system to measure crane load using sensor data without modifying the structure.

Developed an automatic logging feature to record load, time, and location for enhanced safety and monitoring

🧩 INTERNSHIP

Industrial Training on Steel Production and Processing at Salem Steel Plant

Gained practical exposure to steel manufacturing processes, including rolling, annealing, and finishing operations.

Observed industrial machinery, quality control, and maintenance practices, enhancing understanding of large-scale production systems.

Industrial Visit to Kannan Tools and Dies

Observed the design and manufacturing process of precision tools, dies, and moulds used in industrial applications.

Gained insights into CNC machining, quality inspection, and tool maintenance techniques.

🧠 SKILLS

- Autocad
- Solidworks
- Fusion 360
